## WAXMAN TO LEAD SOCIAL SECURITY PANEL

The current crisis in Social Security will be explored in detail at a free public forum at the Westside Jewish Community Center on Sunday, March 13 at 1:00 p.m.

The four distinguished speakers will be: Congressman Henry A. Waxman, a long-time member of the House Select Committee on Aging and Chairman of the Subcommittee on Health and the Environment; Doctor Fernando Torres-Gil, Associate Professor at the Andrus School of Gerontology at the University of Southern California; Ted Ellsworth, former Chairman of the California Commission on Aging; and Leon Kaplan, Chairman of the Save Our Social Security Project of the Congress of California Seniors.

The panel discussion will be moderated by Eva Skinner, current Chair of the California State Commission on Aging. The panel will pay especially close attention to the bipartisan report recently issued by the National Commission on Social Security Reform and to current efforts in both the House and Senate to speedily resolve the Social Security crisis.
